Nail Technician (Medical)

Description

We are currently looking for a motivated and driven licensed nail technician to add to the team.

We are the only Medical Spa in North Georgia solely dedicated to the aesthetic treatment of the feet and hands.

As a medical spa, we use EPA-registered hospital disinfectants, and our sanitation procedures meet or exceed OSHA (Occupational Safety and Health Administration) standards for maintaining a clean environment and preventing the spread of germs and disease. Our instruments are sterilized using the same techniques a hospital uses to sterilize surgical instruments.

Applicants must be self-motivated, informative, work well with others, and have a passion for what they do.

Candidates must be willing to work with male and female clients and the elderly.

Must have 1-2 years experience

This is a commission-based position.

Employment Types: Part-Time, Full-Time, Other

COVID-19 Considerations:

As a medical office, we strictly follow all the guidelines provided by the CDC. Wearing a mask is required for all employees and patients. We thoroughly clean touched surfaces and rooms after each patient visit and have routine office cleaning.
